Front page:  
Segment plate 34 cm, 79 2634  
Fruit saucer 13 cm, 32 3063

Every stage needs its stars with something very special to call their own. They have their own unique charisma and create the right setting without any need for further decoration.

Instead of using several items of crockery, individual meals can be served separately in an attractive and at the same time functional manner with just one piece. Whether for starters, for presentation of the main course or for a dessert – this uniquely designed plate provides great flexibility.
