Plate deep 30 cm, 79 1830
Plate semi-deep rectangular 15 cm, 30 1715

Every stage needs its stars with something very special to call their own. They have their own unique charisma and create the right setting without any need for further decoration.

The almost flat rim of this plate can be used both as a decoration surface as well as for food. This piece always impressively emphasises the meals presented and offers great versatility for combination with other designs from Tafelstern such as Avantgarde or Relation Today.
